WHAT'S IN STORE NEXT YEAR

Newsletters are published by clubs, churches, societies, associations, and businesses—especially companies—to provide information of interest to members, customers, or employees. Google's definition of a newsletter is, "a bulletin issued periodically to the members of a society, business, or organization." A newsletter may be considered "grey literature".

SOCIAL MEDIA TRENDS?

Some newsletters are created as money-making ventures and sold directly to subscribers. Sending newsletters to customers and prospects is a common marketing strategy, which can have benefits and drawbacks. Public organizations emit newsletters in order to improve or maintain their reputation in the society.
